

We hope this letter finds you well. We are Urban Church Advocates, a Chicago-based organization committed to providing underprivileged youth in our community with valuable resources and experiences that will help them succeed in their future endeavors.

As part of our mission, we organize Career field trips and College field trips to business offices and Universities in the State, where students have the opportunity to learn about different careers and academic majors in order for them to gain insights into the workings of various industries. We also provide etiquette lessons during a business lunch, which is a valuable skill that will benefit them in their future endeavors.

Additionally, we offer information and guidance on college options and ways to pay for college or vocational study, ensuring that our students have the necessary knowledge and resources to pursue higher education.

We believe that your business would be an ideal partner for our organization. Your support would not only benefit our students but also help to cultivate a pipeline of diverse talent for your company and the broader Chicagoland or State business community.

If you are interested in sponsoring our organization, we would be happy to provide you with more information about our programs and the impact your support could make. We would be honored to have your partnership in this important work and your gift is tax-deductible.

Thank you for considering our request. Your sponsorship directly impacts at-risk youth in the Chicago area. We look forward to hearing from you soon.

Sincerely,  
Keith Gordon  
Executive Director  
Urban Church Advocates, NFP  
EIN#: 88-3965180
